

# Why Gartner?

Our people are our most valuable asset, enabling us to get better, faster and stronger year after year. This is the place to thrive and make a visible impact.

## Do challenging, groundbreaking work

The pace of change continues to accelerate. To survive — and thrive — in this environment, business leaders around the world look to Gartner to help them make their mission-critical decisions. Together, we fuel the future of business, and a more successful world takes shape.

## Work with talented people

This work takes a common mindset. Optimistic. Adaptable. Always improving. We see opportunity at every turn and use data to tackle challenges. We combine curiosity with teamwork to get results. We're driven yet humble. Fueled by expert analysis, bold ideas and intellectual courage, our people are key to our success. That's why we're committed to investing in our most valuable asset: **you**.

## Grow without limits

As a company with a long track record of success, we provide the rock-solid foundation and resources for you to steer your career. You're in the driver's seat. Whether developing in your current role, moving into leadership or mastering your discipline, how far you go is up to you.

## Make a positive impact

You'll be part of a community that encourages open discussion, embraces diversity and supports a culture of inclusion and belonging — so all associates can thrive and build rewarding careers.

## Live your life well

To help you be your best, we offer meaningful, innovative and inclusive benefit programs that support your physical, financial and emotional well-being. Our comprehensive approach centers on balance so you can live well — in all aspects of your life.

Gartner delivers actionable, objective insight to executives and their teams. Our expert guidance and tools enable faster, smarter decisions and stronger performance on an organization's most critical priorities.
